### What will happen next?

C.R. Lyons & Sons Funeral Directors will send a care professional to your loved one's location as soon as we are notified. In most cases it takes less than an hour for us to arrive. Your loved one is then transferred directly into our care.

### Your loved one never leaves our care.

A staff member will be dedicated to assisting you and your family and will contact you to set a mutually agreed upon time of your choosing. From there, we will then take care of filing all necessary paperwork with the Commonwealth of Massachusetts, assist you in making arrangements associated with a service, etc.
